

Exercise - Color Temperature

1 – 1) *Cool and Warm Hue* - Digital or Traditional (2 examples) 9 x 12 inches

Create cool and warm image. It can be representational or non-representational. Use the colors to express the feeling you want to convey.

Anita. *Warm Hue*, 2011, Acrylic on paper, 11x14 inches

1 – 2) *Neutral Colors* - Digital or Traditional 9 x 12 inches

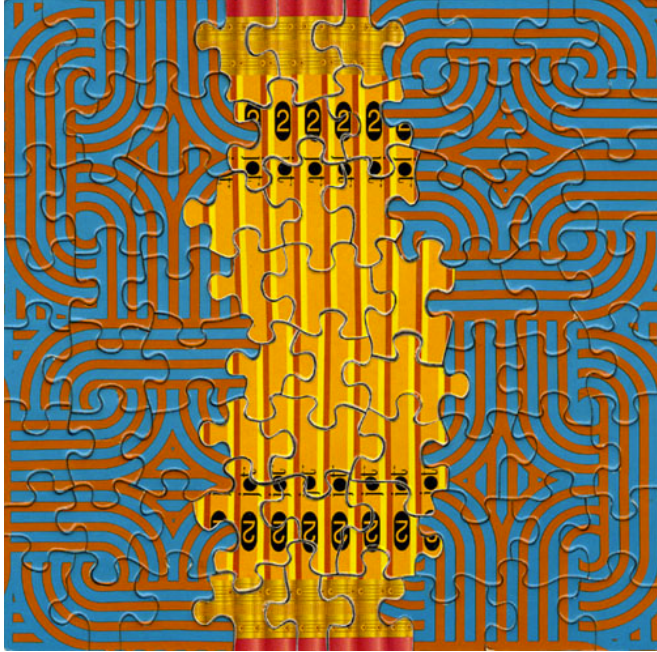

Create an interesting design and fill with Neutral Colors. You can use neutral color from your 'Properties of Color' exercise as a guide and adjust or modify color to meet your need.

Elizabeth King. *Neutral*, Acrylic on paper, 2013, 9x12 inches Ferryn Nowatzki. *Neutral*, Acrylic on paper, 2013, 9x12 inches

1 – 3) *Spatial effects from Color temperature* 9 x 12 inches

Use cool and warm hue concepts to suggest spatial effects. ***Warm colors appear closer and cool ones further away, giving depth to a picture.**

Mark Murphy. *Number 2*, 7 x 7 inches, puzzle collage
